Our philosophy

The philosophy of BLS Education Center is designed to help develop positive self-concept, enhance creativity, and enrich each child's life socially, intellectually, and emotionally. There is an atmosphere of acceptance in which the individual needs of each child are considered and in which each child can flourish and grow under the guidance of qualified teachers.

This program is based on the developmental approach to early childhood education that places emphasis on learning skills that are geared to each child's stage of readiness or development.

Mission Statement

All children can learn. It is the mission of BLS is to provide opportunities for children to grow and develop. We provide a learning environment that is conducive for learning and allows for individual development to take place. Center personnel will strive to provide the children with support needed to build a solid foundation as each child evolves into a lifelong learner.

All payments will be withdrawn on Monday through Tuition Express. If you have any questions about your account, please contact Scott Alley at 816-847-6550 or scott@blsecc.com. Students are allowed one week of vacation per year after a 6 month enrollment period. If you are needing separate accommodations for this time frame, please speak to the director. You are required to pay tuition unless you are using vacation time. We are closed the following days: Christmas Eve, Christmas, Thanksgiving, the Friday following Thanksgiving, Memorial Day, Labor Day, Independence Day, and New Year's Day. Delinquent Account Balances:

If your account is delinquent you may choose to participate in a "Past Due Tuition Payment Agreement" option. The plan will be written by the director with parent input. Once the payment plan has been agreed upon and signed payments MUST be provided on the designated days or your child will not be able to return until the overdue balance is paid in full and your family will be subject to an enrollment fee upon their return. BLS Education Center has the right to seek outside collection services in an effort to collect ta dept for services rendered, if no attempt is made to rectify your account balance.

Annual Fee:

Each account will be charged \$50.00 per family.

Absences:

We do not reimburse payment for absences.

Expulsion or Dismissal:

Aggressive behavior from a child that is exhibited while enrolled at BLS shall be observed for detrimental effects on other children, the environment and the staff. If, after attempts are made to meet the aggressive child's needs, and the aggressive behavior has not improved then discontinuance of enrollment will occur.

There may be times that a child's behavior becomes so detrimental to the other children, the classroom environment and the staff that it is necessary to remove the children from the facility on a temporary or permanent basis.

Destruction of property without payment for repairs may lead to removal from the facility on a temporary or permanent basis.

After 3 documented incident(s) that require documentation and signed confirmation, BLS Education Center reserves the right to terminate enrollment.

Biting Policy:

BLS treats each child as an individual. We have a biting procedure that takes into consideration that each child is created uniquely. We consider individual factors of each biting occurrence on a case by case basis. If a child bites, you can expect the following:

- An incident report will be reported on the biter”.
- An accident report will be completed of the child who was bitten.
- If a child bites 3 times, the director will meet with the parent to develop a plan. If the biting continues, the child may be dismissed.

Damage to school property:

Intentional damage to school property is PROHIBITED. If damage occurs, repairs will be made and the responsible party will be invoiced for full payment. If payment is not received in 30 days, services may be suspended and/or legal action may be taken.

Property

Children **should not** bring their personal property to school (toys, games, etc.). This will prevent the items from becoming misplaced or damaged. There will be certain occasions when toys are requested for special days such as “Show & Tell”.

Items Needed for School:

The children in the program enjoy painting, coloring, cooking, and playing indoors. For your child to participate in these fun activities, (s)he should wear comfortable play clothes. (s)he should also wear clothes that can be independently managed in the bathroom.

School Closings

BLS Education Center does **not** close on **EVERY** day the school district is closed. If we need to close due to inclement weather, we will send you a message through the Procure Parent App.

Discipline:

The BLS discipline procedures may be summarized as follows:

- Prepare the environment to avoid unnecessary conflicts for children.
- Create psychological safety through predictability of routines, expectations and schedules.
- Help children to know and understand the "limits".
- Give children positive verbal redirection if necessary.
- Help children express their wants, needs, and feelings.
- Help children to understand the wants, needs, and feelings of others.
- Support children in learning to resolve conflicts with others; give opportunities for children to solve problems.
- Protect the safety of others by gently restraining or removing a child from a group if necessary.
- Use of "safe seat" and/or "buddy room" if necessary. If these strategies are not effective the child maybe sent to the office to sit until they are able to return to class. If the behaviors continue and we are unable to redirect your child, they maybe sent home. This is the LAST resort and could result in an Incident Report. Depending on the incident, the child could be unenrolled for their behavior. If a classroom has to be evacuated to keep the other children safe, your child will have to be picked up and result in an Incident Report.
- Keep parents informed of their child's behavior and work out strategies with parents.

On occasion we may need to protect the physical and emotional safety of a group by removing a child who is not ready to manage his or her behavior. If a child's behavior management issues reach such a point, the parent will be called to pick up the child for the rest of the day (parents are normally forewarned that this may occur). Usually the issues resolve after one or two such occurrences. If not, we will continue to work with parents to find solutions that maintain the safety of the BLS children and staff, while helping the child and family as much as possible. School to home behavior plans may be developed to help support the child.

At no time will the following be permitted: corporal punishment, punishment that causes humiliation, fear, pain or discomfort, locking children in an area or using mechanical restraints, associating punishment with illness, toilet training, food or rest, or the use of verbal abuse, threats or derogatory remarks about a child's family. Parents are encouraged to communicate frequently with teachers about expectations for their child's behavior. Concerns about serious behavior problems will be documented by the staff on incident report forms and shared with the child's parents.
